# Save the date Role of IWT in the framework of EU's mobility and supply policy

## EBU Event & Networking Cocktail

17 November 2-7 pm Brussels

### We are pleased to announce as key note speakers:

- Mr. Martin Kupka, Czech Minister of Transport
- Mr. Henrik Hololei, Director General of the EC DG MOVE
- Mr. Dominique Riquet, Member of the European Parliament and TEN-T co-rapporteur of the TRAN-Committee together with EBU's President Philippe Grulois.

Following the key note speeches we will discuss the  
"Role of IWT in the framework of EU's mobility and supply policy" with relevant industry stakeholders and representatives of EU institutions and river commissions in 2 panels dedicated to:

1. **Modal shift & urgent need for infrastructure investment**
2. **Fleet innovation towards energy transition**

**Registration will be open shortly.** We look forward meeting you at this event.
